

# Views and Reviews

## Authors' Guidelines

'Views and Reviews' (VR) is an open access, bi-lingual (English and Bengali), peer-reviewed and inter-disciplinary journal published by Chandrapur College (Purba Bardhaman, West Bengal). The main objective of VR is to provide an intellectual platform for the national and international scholars. VR aims to promote interdisciplinary studies in humanities, social science and environment, and become the leading bi-lingual journal in humanities and social science in India.

The journal publishes research papers in the fields and various aspects of humanities and social science such as environment, anthropology, business studies, communication studies, corporate governance, criminology, cross-cultural studies, demography, development studies, economics, geography, bengali, education, ethics, history, philosophy, industrial relations, information science, international relations, law, linguistics, library science, media studies, methodology, philosophy, political science, population studies, psychology, physical education, public administration, sociology, social welfare, linguistics, literature, paralegal, performing arts (music, theatre & dance), religious studies, visual arts, women studies and so on.

The journal is published in both print and online versions. VR publishes original papers, review papers, conceptual framework, analytical and simulation models, case studies, empirical research, technical notes, and book reviews. Special Issues devoted to important topics in humanities and social science will occasionally be published.

### Plagiarism

We have been screening manuscripts for plagiarism with authenticated software for the same. Stern action would be taken against handful of authors found involved in ethical misconduct. The screening and decision on articles cost huge time and resources of the Journal.

### Conflict of Interest

Prior to submission of manuscript all the authors involving in manuscript must have to disclose any and all conflict of interest they may have with the submitting manuscript in VR with publication of the manuscript or an institution or product that is mentioned in the manuscript and/or is important to the outcome of the study presented.

### Format of Writing Paper

- All papers must be 100% original and have not been published in parts (text/figures/tables) in any conference proceedings or journal in any form, any media or any language.
- All papers will be reviewed and go through checking for plagiarism. It is the full responsibility of authors to get all manuscripts properly checked for the English language.
- The publisher will not assume any such responsibility whatsoever.

- Your Full Paper in the template, not exceed 8 pages (\*8 pages including references)
- Similarity Index (Plagiarism) – less than 5%
- Authors must strictly follow APA (American Psychological Association) reference style.
