

Report on Tree Plantation Programme

With a view to check environment degradation and make surroundings clean and green, the NSS units (I&II), Chandrapur College collectively organized a tree plantation programme on 23rd August 2016 in the college premises. The programme started with a song by our students.

The NSS volunteers identified appropriate place for plantation and prepared it for plantation. We had planted various types of plants. The Principal of the college Dr. K. Samanta had explained about the trees and the importance of tree plantation. The faculty members, non-teaching staffs .
